## GRAND SPORT AT SARATOGA

DOMINANT PROVES HIMSELF A STAR BY WINNING THE SARATOGA SPECIAL.

Star Jasmine Takes the Champlain Handicap, De feating Roamer and Stromboli-Cherry Malotte's Good Steeplechase-Gossip of the Track.

Saratoga, N. Y., August 14,—Today's racing was by far the best witnessed at Saratoga this week The program, which was a high-class one, embraced two stake races which attracted the best fields that the various establishments were capable of furnish-ing

the various establishments were capable of furnishing.

L. S. Thompson's Dominant, in winning the Saratoga Special for two-year-olds, demonstrated that he ranks with the best in training and, in the opinion of horsemen, there is no two-year-old horsehere capable of giving him an argument, possibly barring the western crack Bulse. Today Dominant began from an outside position and, showing an extremely high turn of speed, went into a lead which he easily maintained to the end. He won unextended and what made his victory so impressive, was the fact that he really ran fast for only about three-eighths and was rated along in front, under restraint, for the remainder of the way. Puss in Boots took second place over Friar Rock by a length. The Saratoga Special was worth \$4,125 to the winner, besides the \$1,000 in plate donated by the association, Dominant seems likely to duplicate last year's feat of Regret, which trainer James Rowe uncovered here, in winning her three starts in easy fashion. R. T. Wilson's Ormesdale, which was expected to furnish some contention, was badly cut down douring the running and finished last.

An outstanding teature of the Saratoga Special is that it has always been won by a racer of the highest class, as a glance through the list of its winners will reveal. It was first run in 1901 and its condensed history to date follows:

The Champlain Handicap brought out a fair-sized field of the best of the handicap division and was won by Major T. C. McDowell's Star Jasmine, which good mare repeated her victory of a few days before. Roamer was quoted an odds-on favorite, but ran as if he did not like the going, being mable to get to the front at any point and finishing unplaced. Stromboli made the early running, but was passed by Gainer on the stretch turn and Gainer, in turn, succumbed to the rush of the winner in the final eighth. The Champlain was worth \$1,925 net.

Superintendent, showing a flash of his old-time form, accounted for the highweight handicap in easy fashion after making the running throughout. Sam McMeekin, for which S. C. Hildreth paid \$15,000 was a hot favorite, but finished unplaced. The attendance was much larger than usual. The weather, although cloudy and giving promise of rain, remained sultry all afternoon.

Jockey M. Garner, who is under contract to J. L. Holland, today rode his last mount as an apprentice, his allowance expiring today. He rode his first winner at Anaconda last year and since then has pilotted 239 winners to victory, which is perhaps the largest number ridden by an apprentice in recent years.

### DOUGLAS PARK AND LATONIA STAKES.

Cincinnati, O., August 14.—The fall stakes to be decided at Latonia and Douglas Park close on Wednesday, August 18. The management of these two tracks have offered the same inducements to horsemen this year as were offered in last autumn's list of racing fixtures. Although the Latonia meeting this year will be two days shorter than the one given last year, the same amount of stake offerings will be given. The chief racing fixtures on the Kentucky circuit during the autumn season are the cup events. A few years ago the Kentucky Racing Commission tried to revive long-distance racing and three four-mile races were put on. The last one was such a miserable failure that the four-mile races passed away. The Commission at that time urged John Hachmeister to give some of these races at either Douglas Park or Latonia. Hachmeister refused, declaring that the day of four-mile races had long passed, but declared that he would give something which would endure. Accordingly he out on the Louisville Cup at two miles, for Douglas Park, and followed this with the Latonia Cup at two miles and a quarter. All of these races have always filled well and have resulted in spirited contests. These two stakes are again the headliners at their respective tracks. As mentioned above, entries to these stakes close on the coming Wednesday. The stakes offered by the Latonia Jockey Club are:

Latonia Autumn Inaugural Handicap, three-year-olds and over; one mile and a sixteenth with \$2,000 added.

Ft. Thomas Handicap, two-year-olds; three-

added.

Ft. Thomas Handicap, two-year-olds; three-quarters with \$2,000 added.

Antunn Selling Stakes, three-year-olds and over; one mile with \$1.500 added.

Latonia Cup, handicap, three-year-olds and over; two and one-quarter miles with \$2,500 added.

Douglas Park's offerings are:

Douglas Park Inaugural Handicap, three-year-olds and over; one mile and a sixteenth with \$2,000 added.

Beecimont Selling Stakes

and over; one mile and a sixteenth with \$2,000 added.

Beecimont Selling Stakes, two-year-olds; five and one-half furlongs with \$1,500 added.

Louisville Cup, handicap, three-year-olds and over; two miles with \$2,500 added.

The Douglas Park meeting opens Monday, September 20, and closes Tuesday, September 28. The meeting at Latonia opens on Saturday, October 9, and closes on Wednesday, October 27. In all there will be forty-one days of racing in Kentucky next fall, with no purse of less than \$600 added.

## CURRENT NOTES OF THE TURF.

James Butler is expected at Saratoga early next At King Edward Park Thursday, A. Pickens won with four of his six mounts.

with four of his six modules.

Martin Nationson departed for Montreal yesterday to resume his duties in connection with the second meeting at the Maisonneuve track.

Barney Schreiber has gone to Saratoga for a day or two before proceeding to San Francisco for the meeting which will open at the latter place August 21.

gust 21.

George Smith, the crack two-year-old which wrenched his shoulder during the running of the Sanford Memorial, was on the track at Saratoga Thursday morning and appeared to be all right. His trainer, T. J. Shannon, feared that he might have to cancel all his immediate engagements, but there is a good chance now that he will be seen carrying slik before the end of the Saratoga meeting.

Sam Jackson pulled up slightly lame after a recent work-out at Saratoga, and it is possible that he may be retired. Meantime the match race between him and Roamer hangs fire. If there is a meeting of the prir in a special race it probably will take place in Maryland. Sam Jackson is entered in handicap events at Eelmont Park this fall, but that is a track for which Roamer has not shown a liking.

H. D. Brown was in Chicago yesterday on his way east from California. He will stop off at Windsor and Toronto for a couple of days or so and then go to Suratoga. He reports the Reno meeting to be really a remarkable success for such a small place and a profitable money-maker. The coming San Francisco meeting, he says, is destined to be a popular and successful affair, sure to draw heavy natronage.

popular and successful affair, sure to draw heavy patronage.

Andrew Miller's Roamer showed at Saratoga Thursday that it was possible to travel at a good clip, even on such a bad track as prevailed. He had his final work for the Champlain Handicap after the running of the steeplechase, and went the mile and an eighth with several expert clockers keeping tabs. Trainer Goldsborough stopped him in the last 100 yards and later amounced that he had timed him in 1:50%. Other watches made the work even faster, a reliable trainer catching the following fractions: Quarter, 24%; half, 48%; five-eighths, 1:01%; three-quarters, 1:14%; mile, 1:41%; mile and an eighth, 1:55%.

Many of the high-class two-year-olds will be missing from the Futurity, according to the book of the Westchester Racing Association for the Belmont Park meeting, which was distributed to the horsemen at Saratoga Thursday. There are sixty-six left in the big two-year-old event out of the original nominations of 500, of which 202 were void and 239 declared. Dominant, which is the best youngster carrying the L. S. Thompson colors that has been seen so far, is not eligible, but the stable has Thunderer, a brother to Regret, to depend on as well as Vermont, Slipshod. Hansa and Bromo, Other good ones not eligible for the Futurity will be run Thursday, September 4.

## RACING AS A HEALTHFUL RECREATION.

As predicted, the Canadian racing season is going forward with as much success as ever. The crowds price. (2) There wo seem quite as big and as joyons as at ordinary Lady Rotha, unless times, but I am told that the amount of money that sarriers run for him.

is changing hands does not compare with that wagered in former years. That is, perhaps, a matter hardly to be deplored, except as a sign of the depressing period through which we are passing; but as the attendance is still large it is also a proof that everybody does not go for the single purpose of betting. One of the charms of racing is its freedom, its sense of equality and the feeling that all are out with the same object, to be pleasurably entertained. Racing is tue greatest general health and courage giver, both to man and beast, of all sports. It absorbs the feeling of self, gives a surcease of care, and whether winner, loser or nongambler, it is restful to mind and body and, therefore, invigorating. Even the loser more often than not learns on the race course how to face disappointment. It also fosters a love for the horse and is in no way detrimental to public enterprise or public spirit. On the contrary, there are more broad-minded, open-hearted men among race goers than can be found in any other class of the community. Lord Rosebery once said that in his opinion friendships were formed and a knowledge of the world gained on the turf that are invaluable to any man who wishes to get on in life. The race course is a gathering place where there is a commingling that is most healthful in the social life. It is the one sport where freedom of action and freedom of movement are possible. At the race course you are not chained to a seat until the limbs become rigid. Almost everything, in short, connected with racing, in my views, if taken in the right spirit, is invigorating.

Chris Fitzgerald, who will be remembered as the one-time manager of the Montreal Jockey Club after the demise of Brighton Beach, recently published a letter in the New York Sun, of which he was once sporting editor, deploring the depletion of mares that is going on in this country and in the United States owing to the war. On the one hand the Ottawa government is criticized and abused for not buying or rather for not countenancing or ac

Lord Derby's eldest son, Lord Stanley, has registered his racing colors and won his first race at Newmarket July 27, concerning which London Sporting Life said: "Novice's luck" was once again demonstrated when Young Pegasus, the first horse to carry Lord Stanley's recently registered colors, proved victorious in the Cambridgeshire Hunt Plate. Lord Stanley, who is Lord Derby's eldest son, is a close friend of the Prince of Wales, and when scholars at Oxford they shared rooms. Lord Stanley was able to take a short leave from his military duties to be present yesterday."

The victory of Apothecary in the Newmarket

The victory of Apothecary in the Newmarket Gold Cup, July 27, in the colors of Mr. James de Rothschild, recalled the equally sensational appear Gold Cup, July 24, in the colors of Mr. James de Rothschild, recalled the equally sensational success of his Bomba in the Gold Cup at Ascot a few years ago. Bomba was the outsider of the half-dozen starters at 25 to 1, with Santo Strato a hot favorite, though Mr. Rothschild's colt beat him half a length. Apothecary was this year the outsider in a field of eight, on offer at 33 to 1, Black Jester being in greater demand than Snow Marten. Black Jester evidently does not stay, and in fact made no show at all, while the Oaks winner could only finish third behind Apothecary and Carancho. The Ascot authorities added \$5,000 for this race.

E. A. Barton sold his horses at Newmarket, July

authorities added \$5,000 for this race.

E. A. Barton sold his horses at Newmarket, July 29, and retires from racing. The three-year-old My Ronald sold for \$15,000, leading a prominent turf newspaper of London to say: "Discussion was rife before racing at Newmarket as to whether My Ronald was cheap or not at the 3,000 guineas that Mr. Peter Ralli gave for him at the sales during the morning, the consensus of opinion being that for the times A. E. Barton had made quite a good sale. Mr. Peter Ralli, the buyer of this extremely useful three-year-old, has owned some useful horses, including Tidal Wave, Calgary and Wolfe Land. Tiday Wave won the Gold Vase at Ascot. My Ronald will in the future be trained at Freemason Lodge by Alfred Sadler, Jr."

Ronald will in the future be trained at Freemason Lodge by Alfred Sadler, Jr.,"

Some horses make freinds with other animals more quickly than others. At one of the best-known studs in Ireland there is a pet deer that once became closely attached to a horse that was destined afterwards to make a great name for himself on the turf. When that horse left the particular stud the deer declined to pal up with another of the other horses on the farm, and is now to be seen grazing in a secluded part of the paddock, whereas she formerly would never leave the side of her old chum. Foxhall had a cat that always slept on his back, and Pretty Polly never went on to a race course without her hack. Prevoyant may not be so great a race horse as those referred to above; nevertheless, his friendship for his goat is as great. Recently, when going out for the Lanwades Plate, the goat was tied to the rails just beyond the winning post, and as the race showed, when he won, the Belgian-bred horse was in a hurry to get back to his little stable chum.—London Sporting Life.

## BORROW IN FRONT AGAIN

VETERAN WHITNEY STAR DEFEATS HODGE AND RANCHER IN A CANTER.

Venetia Proves Herself a Fast Filly-Windsor Meeting Opens with a Great Attendance and Good Track-Taka Has a New Owner.

Detroit, Mich., August 14.—Borrow, aged son of Hamburg and Forget, owned by Harry Payne Whitney, and running in the colors of L. S. Thompson, added the Detroit and Windsor Ferry Co. Handleap to the list of notable victories he has scored this year when he beat Hodge and Rancher and won in a canter by three lengths at the Windsor track this afternoon.

Borrow, ridden by Joe Notter, was rated behind the leaders under stout restraint until Notter found an opening on the inside when nearing the quarter post, where he went through with a rush and raced into a decisive lead in a sixteenth of a mile. The contest was over as they straightened out in the homestretch, where Notter again took the big horse under restraint and at the end he was fighting for his head. Hodge, which made several challenges in the race in an effort to get to the front, easily disposed of Rancher in the last quarter. The latter quit badly and his race was a distinct disappointment. It is just possible that the horse is best on a hard track, such as prevailed at Fort Erie on the closing day of that meeting. The track at Windsor today was a trifle dull as a result of rain which fell during the night.

This was the seventh running of the Detroit and Windsor Ferry Co. Handleap, which has been growing in favor and value with each succeeding year. Its condensed history follows:

Year. Winner. A.Wt. Jockey. Val. Time, 1909 All Red. ... 3 97 C. Ross. \$1,150 1:40½, 1911 Fort Johnson. 5 106 Taplin. ... 770 1:43½, 1911 Plate Glass. 5 117 T. Windsor's second meeting opened under most favorable auspices and an immense gathering was on hand to witness the sport. Predictions are that itself exceed in point of importance that of the leaves and the stake carried an added value of \$3,000.

The Ste. Clair purse, second in importance only to the stake race, went to P. Sheridan's greatly improved filly Venetia, which won with much speed in reserve from Kewessa.

Harry F. Brelvogel was a visitor at Windsor this afternoon. He is a recent arrival from Laurel, where he attended a meeting of the directors of the Maryland State Fair and Racing Association. Incidentally, Mr. Brelvogel is interesting horsemen in the stakes to be run at Churchill Downs and Laurel this fall. Laurel has come out with an imposing list of fixtures for its fail meeting. During the twenty-six days of racing, seventeen stakes carrying an added gross value of \$25,000 will be run. The National Handicap, \$2,500 added, one mile and an eighth, is the principal fixture. Mr. Brelvogel announced that the purses at Laurel this fall would be increased in value. At the conclusion of the Windsor meeting he will leave for Saratoga. Albert Simons today disposed of the two-year-old filly. Talka, to George Senn. The latter is in the market for several more useful horses for a campalgan at one of the winter tracks. His sprinter, Cardigan, is rounding to after a let up.

The Market Pearce came up from Louisville to take in the opening day of the meeting. Mr. Pearce is busy preparing the condition books for the fall meetings and Nelly and the sprinter of

## GENERAL NEWS NOTES OF THE DAY.

The forces of Field Marshal von Mackensen pursuing the retreating Russians from the south have reached the line of the high road leading from Radzyn to Widwlodaw (Vladova?), it was officially announced by army headquarters at Berlin yesterday. The text of the statement follows: North of the Niemen River in the region of Allessow, Kubiski, Weschinty and Kovarsz new engagements developed. Before Kovno our attacking troops captured the fortified forest of Domino Kanka. We took 350 prisoners. Between the Narew and the Bug rivers our armies reached during a sharp pursuit the Slina and Murzew sections, where our opponents made a new stand. North of Novogeorgievsk a strong outpost position was taken by storm. Nine officers and 1,800 men and four mahine guns fell into our hands. Prince Leopold of Bavaria's troops are approaching the Bug River also, northeast of Sokolow. To the east of the Losyce-Miedzyrzec line the enemy attempted to stop our advance by stubborn counter-attacks. All the attacks were repulsed. Field Marshal von Mackensen defeated the enemy in battles on August 10 and August 11. Our opponents did not find sufficient strength yesterday to resists the advancing Teutonic allied troops longer. Our armies reached during the pursuit the high road of Radzyn-Dawidy-Vladova.

The Eastland rode again on its keel yesterday, and United States engineers at once examined its ballast tanks to discover evidence of mismanagement for presentation to the federal grand jury. The steamer, which tipped over near the Clark street bridge three weeks ago yesterday, causing the death of nearly 1,000 persons, was raised after more than ten days of constant labor. Twenty-five divers were sent into the hold of the vessel to search for bodies by Sergt. George Scrivner of the coroner's office. In addition policemen searched the lower decks for bodies entangled in the debris, while Coroner Hoffman asked that several divers be sent down to the river's bottom, where the hull rested, and see whether any bodies remained crushed in the mud. Arrangements were made to tow the Eastland to fhe dry docks in South Chicago for a rigid inspection of the hull as soon as the search for bodies is completed. The ship will remain in custody of United States deputy marshals until the inspection is completed. Capt. Ira B. Mansfield and William Nicholas, local federal steamboat inspectors, boarded the ship and began an inspection of the hull.

The Pan-American appeal to all of the Mexican factions calling upon them to end their civil strife was being dispatched from the state department yesterday in original Spanish directly to Generals Carranza, Villa, governors of states and to other Mexican chiefs. The next step in the administration's plan for restoring peace in Mexico will be persistent though friendly efforts to persuade the Mexican leaders who have indicated opposition to the movement to eliminate themselves for the common welfare. In this connection it was said that Maj. Gen. Scott, chief of staff of the army, who is known personally to many Mexican military leaders, might exert a powerful influence. Now that General Villa and his adherents have indicated their readiness to join in a peace conference provided the old Cientifico group is not recognized and that a stable government is established, no opposition to the plan is looked for except from the Carranza element, although in many quarters at Washington it is felt that they might acquiesce after giving careful study to the friendly tone of the appeal. European governments directly interested in Mexico have approved the peace plan, it is said.

The military commanders of the states of Sinaloa, Tepic, Chiapes, Oaxaca, Guerrero, and, it is believed, Burango, have refused to recognize the authoritative advices received at El Paso, Texas, yesterday. It is said the commanders have decided that for those states the revolution is over and, although prepared to resist invasion of their states, the soldiers are to be used in planting and harvesting. It is said the forces Villa sent to Durango several weeks ago to head off an advance by General Obregon joined in a state movement there and will not rejoin Villa. General Angeles, second in command of the Villa forces, was appointed to deal with the affairs of native and foreign merchants, whose stores and goods were confi

The death penalty is prescribed for any one communicating with Germany's enemies.

The Pacific Mail Steamship Company, in pursuance of its plan announced some time ago of disposing of its fleet and other property, has sold five of its steamers to the Atlantic Transport Company of West Virginia. The steamers so disposed of are the Manchuria, Mongolia, Korea, Sibera and China. No terms were mentloned in the announcement.

A recommendation to the war department that a battery of artillery and an aeroplane be sent to Brownsville will be made by Maj. Gen. A dispatch to the London Daily Mail from Bukharest, which was delayed in transit, says that the Austrians on Tuesday violently bombarded the Serbians near Orsova and that an attempted landing by Hungarian troops at Ogradena, on the Danube near the Iron Gate, failed.

NO FLAT, NO PROGRESSIVE --- READ THIS OVER --- NO DOUBLE-UP BETTING

Well, boys, here's to keep my promise of last Friday. I positively know of an old-time player who has an income of over \$2,000 a month, and before he bought the "MATHEMATICAL" he told me the following fstory: "i am an absolute authority on the pedigrees of most of the lorses actually running all over the country. I can pick anywhere from 35 to 50 per-cent, of winners at almost any meeting. I have the money to mike bets of all sizes, and I do make them, yet for the last 25 years I have not been able to get ahead of the game for any substantial amount." HERE IS AN ABSTRACT of the letter he wrote to me after a week of operating with the "MATHEMATICAL" betting system as a basis: "YOUR SYSTEM IS WORTH a thousand times the price I paid for it. I am more than, satisfied with it, and I am convinced that if I knew of it when I started in the game, I undoubtedly would now be a millionaire." IT CERTAINLY HURTS MY FEELINGS to hear of cases like this every day; and why does it happen? Because, even if you know of your ability to pick winners, you do not know whether you are going to get them on that particular day or in the tace in which you are betting most heavily. Then what you need is a good betting system. THERE IS NO SURE THING in racing; your best and heaviest bet of the day may go down and in the fall deplete your bank roll in such a manner that it may take weeks, or perhaps months before you are able to recuperate the losses from that single bet. YOU CAN EASILY AVOID all this trouble by using as a basis the "MATHEMATICAL" betting system; it shows how much you have to bet on the next horse and brings satisfactory results, getting as low as 33 per-cent, of horses in the money. DO NOT FORGET that with \$100 capital you can make as much profit as you would in almost any other way of betting with \$1,000. Can be operated at track or poolroom, mutuels or books. The price of the "MATHEMATICAL" is only \$5.00; remit by express mail order. Think it over: it is in reality the last word in systems. Do not delay in sending for yo Daily Racing Form. Address.... J.
